## Bharat Recycling Show - India's Largest Recycling Trade Fair

Media Fusion and Crain Communications are proud to present Bharat Recycling Show, India's biggest trade show for commodity recycling. The show and conference will take place from **13-15 November 2025 in Mumbai, India**. It will bring together all stakeholders in the recycling sector to bridge the gaps in the industry and to highlight advancements in global recycling technologies and best practices. The show will serve as a platform for technology providers and recyclers in various sectors including metals, e-scrap, battery, ELV, tyres, paper and construction, to showcase their innovations and forge partnerships to enhance efficiency in the sector.

The event's strategic co-location with Plastics Recycling Show India, which witnessed resounding success in its first edition, will enable synergy amongst all commodities.

**Join us to engage with industry leaders and contribute to a greener future in India.**

## Key statistics highlight India's recycling revolution

**Recycling Plants:** As of 2024, India boasted 2,447 recycling plants, nearly tripling from 2020, reflecting enhanced infrastructure for waste management.

**E-scrap Management:** The proportion of e-scrap processed surged to 43% in 2023-24, up from 22% in 2019-20, showcasing improved e-scrap handling practices.

**India's Vehicle Scrapage Policy:** The policy aims to encourage recycling of end-of-life vehicles, which constitute a significant portion of solid waste. The draft End-of-Life Vehicles Management Rules 2024 emphasizes an EPR system for car manufacturers, effective from April 2025.

## The demand for recycling is driven by

Rapid Urbanisation and Population Growth

Government Initiatives and Policy changes

EPR Expansion

India's Circular Economy Goals

Heavy Investment in Technology

Economic Incentive

# What makes Bharat Recycling Show 2025 different?

Never before has India hosted a trade fair dedicated to recycling on such a grand scale.

This high-profile gathering will showcase cutting-edge advancements in recycling technologies

Attendees will experience an immersive environment highlighting the latest innovations around effective recycling solutions.

The 1st edition of BRS 2025 promises to foster valuable networking opportunities among industry leaders

This is an unmissable opportunity to connect with industry experts and explore the future of recycling in India.

## Why you should exhibit at BRS 2025

6000+ buyers are waiting to meet you. Here's why you should exhibit.

Meet Potential Business Partners & Customers

Increase Brand Visibility & Awareness

Generate Leads & Network with Peers

Launch New Products & Test the Market

Build Thought Leadership & Credibility

Gain Long-term Returns & Business Growth

### Exhibitor Profile

- Shredding & Baling Solutions of All Waste Types
- Material Sorting Solutions
- Materials Recovery Facilities
- Granulators & Separators
- Recyclables Traders and Processors
- Software & Digital Platforms
- Consultants
- Heavy Machinery for Scrap Handling
- Material Handling Solutions
- Smelting & Incinerating Solutions
- Industrial Blades & Knives
- Waste Management Service Providers

## Commodity Showcase

Metals

E-scrap

Batteries

ELV

Tyres

Paper

C&D

Wood

Textile

### Visitor Profile

- Recyclers
- Scrap Traders
- Waste Management Companies
- Manufacturers of Commodities
- Municipalities & Nagar Nigams
- Policy Makers
- Pollution Control Boards
- Environment Agencies & Monitoring Authorities
- Public Health Departments
- Industrial Plants
- Real Estate & Property Management Companies
- Sustainability Leaders
- EPR Consultants
- Technology Providers
- Associations & Advocacy Groups
- Investors
- Supply Chain & Logistics Providers

## Booth Rates

### Built-up space

A 9 sq. m. (3x3) booth includes:

- ▶ Fascia with company name and stall number on a vinyl sticker
- ▶ 1 lockable cabinet
- ▶ 1 table and 3 chairs
- ▶ One power socket (single/three phase)
- ▶ 2/3 side wall partition (white laminated octanorm panel - 1m width x 2.5m height)
- ▶ 500 watts power supply
- ▶ 3 x Iso chairs, black
- ▶ 1 x Lockable counter, white
- ▶ 1 x Literature rack
- ▶ 1 x Waste bin

**Indian Exhibitors:** RATE: ₹14,200/- PER SQ M + 18% GST

**International Exhibitors:** RATE: \$315 PER SQ M + 18% GST

### Raw space

Only raw space will be provided. Octanorm panels, carpet, power, fixtures and furniture are not included.

**Indian Exhibitors:** RATE: ₹13,700/- PER SQ M + 18% GST

**International Exhibitors:** RATE: \$262 PER SQ M + 18% GST

## ABOUT THE ORGANISERS

With offices in Dubai and Mumbai, **Media Fusion** has excelled over its 17-year journey in B2B publications, conferences, awards, and tradeshow across both countries. Today, Media Fusion is one of the fastest-growing tradeshow organizers, dedicated to spotlighting niche industries and providing platforms that foster innovation, dialogue, and fraternity.

**GLOBAL POLYMER GROUP**  
A CRAIN FAMILY BRAND

**Crain Communications** is a privately held media company that produces trusted and relevant news across digital platforms, publications, lead generation, research and data products, digital platforms, custom publishing, and events with uncompromising integrity.
